Thank You For Supporting Magnolia Arts Center!

Making an Impact Across Our Community

“I have been involved with MAC for 10 years and I have seen it grow from a dream into an institution vital to the City of Greenville and surrounding areas. MAC provides the entire community a chance to participate in the arts at any level they desire from volunteers to performers. The MAC is a place where I feel I belong and want to continue to help it grow into the future. Improving the MAC's facility will make it safer and more accessible to our many patrons.”

Collice Moore, Jr.

Founding Board Member; Actor; Producer; MAC Building Committee Chairperson

“Magnolia Arts Center developed a strong foundation while working in spaces borrowed from generous organizations. Now with a home of our own, MAC has been able to grow and develop new programs to truly fulfill our mission and serve the greater Greenville community. Support of the Capital Campaign will allow MAC to enhance our home and bring more quality productions and programs to you and the community.”

Robin Ashley

Founder of Magnolia Arts Center

“MAC was a wonderful organization to work with! They were constantly supportive, accommodating, and on board with the vision of connecting Greenville’s students and community through a common passion for the arts.”

Amanda Higgins

ECU Student and Director of *Well Water*

“Earlier today Susan and I enjoyed taking members of her church youth group to see this delightfully colorful and festive rendering of the Jesus story [*Godspell*]. Thanks to the Magnolia Arts Center for consistently bringing performances that bring quality of life opportunities to Greenville. Tickets sold out for all performances.”

Calvin Mercer

Greenville City Council Member

“It’s been a joy to work with so many people who are dedicated to theatre because 1) they know the positivity the arts brings to the community and 2) just because they love it.”
